Dear Parent/Carers,

Year 2 Poole Fire Station Visit

Jellyfish – Wednesday 23rd October

Turtles – Thursday 24th October

We are very excited to be able to take the Year 2 children to visit Poole Fire Station on the above dates. This visit is linked to our learning about the Great Fire of London. Over the past few weeks, we have explored the events of the fire, why and when it began and how it spread. We have also learnt about how the fire eventually ended and the use of firefighting equipment from the past, comparing it to the equipment we have today. This visit will allow the children to explore a working fire station, learn more about the role of firefighters and the equipment they use. They will also learn about fire safety.

Children will be travelling to Poole Fire Station in the morning via school minibuses, and will be back to school for lunchtime. Please can the children come to school in their normal uniform and footwear but also bring with them:

- Wellies – the children may get to use a fire hose

There is no charge for this trip, however please complete and return the below permission slip to school by **Friday 18th October**.

We are sure the children will really enjoy this visit, and will have many things to share with you afterwards.

Yours sincerely
